

How to activate your Breeze or Evince license

Instructions

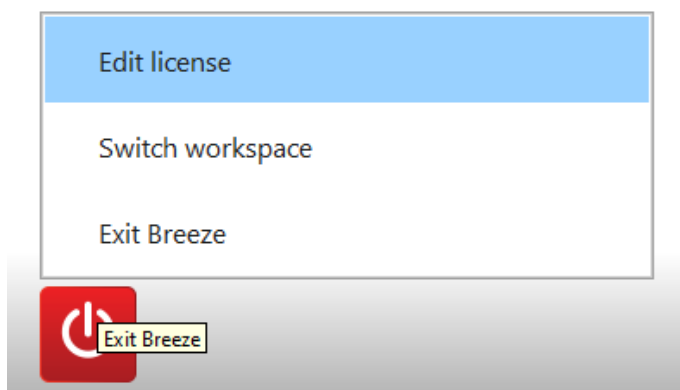

- How to start the license wizard
- Activation of 30 day trial license
- Activation of full license

Start Breeze or Evince license wizard

In **Evince**. Click on *Help* and *Edit License*

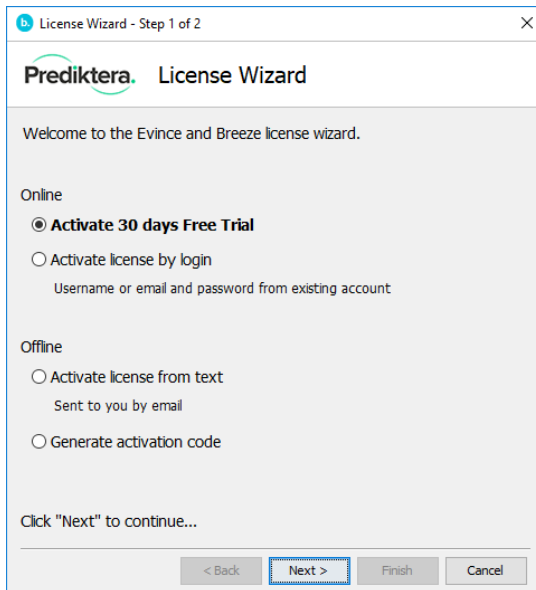

In **Breeze**. Right click on *Shutdown* button and *Edit license*

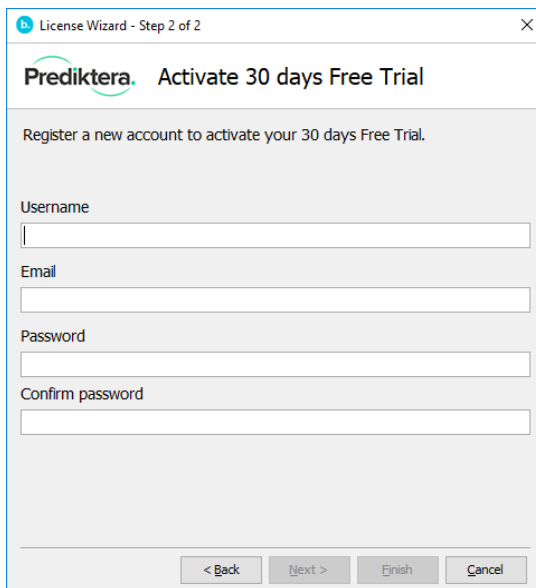

Activate 30 days Free Trial

1. Start Breeze or Evince and **Select Activate 30 days Free Trial** and **Click Next**.

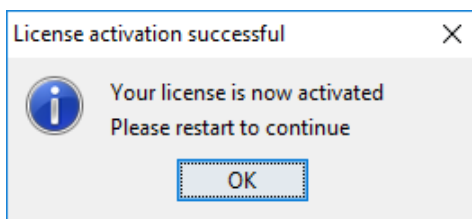

The screenshot shows a dialog box titled "License Wizard - Step 1 of 2". The header includes the Prediktera logo and the text "License Wizard". The main content area contains the following text: "Welcome to the Evince and Breeze license wizard." Below this, there are two sections: "Online" and "Offline". Under "Online", there are three radio button options: "Activate 30 days Free Trial" (which is selected), "Activate license by login", and "Activate license by login" with the subtext "Username or email and password from existing account". Under "Offline", there are two radio button options: "Activate license from text" with the subtext "Sent to you by email", and "Generate activation code". At the bottom, there is a prompt "Click 'Next' to continue..." and four buttons: "< Back", "Next >" (highlighted with a blue border), "Finish", and "Cancel".

2. Fill in a username, your email address and a password.

The screenshot shows a dialog box titled "License Wizard - Step 2 of 2". The header includes the Prediktera logo and the text "Activate 30 days Free Trial". The main content area contains the text: "Register a new account to activate your 30 days Free Trial." Below this, there are four input fields: "Username", "Email", "Password", and "Confirm password". At the bottom, there are four buttons: "< Back", "Next >", "Finish", and "Cancel".

3. **Click Finish** and the message below should pop up after a few seconds. Press OK and restart Evince or Breeze

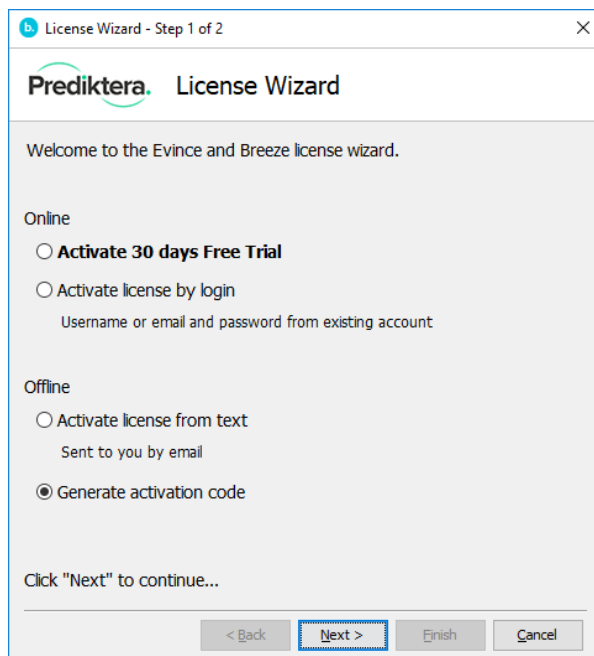

The screenshot shows a dialog box titled "License activation successful". It features an information icon (a lowercase 'i' inside a blue circle) on the left. To the right of the icon, the text reads: "Your license is now activated" followed by "Please restart to continue". At the bottom center, there is a button labeled "OK" with a blue dashed border.

Activation of full license

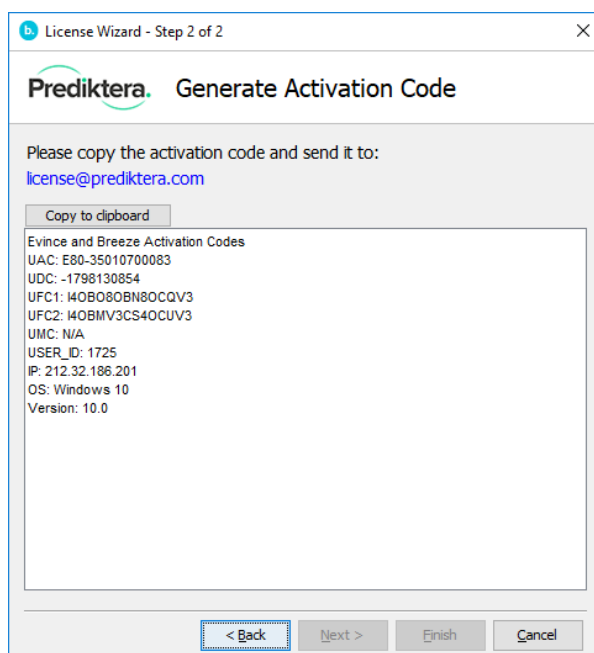

Option 1: Offline activation

Generate activation code

1. Start license wizard. Select *Offline/Generate activation code* and *Next*

2. Click on *Copy to clipboard*

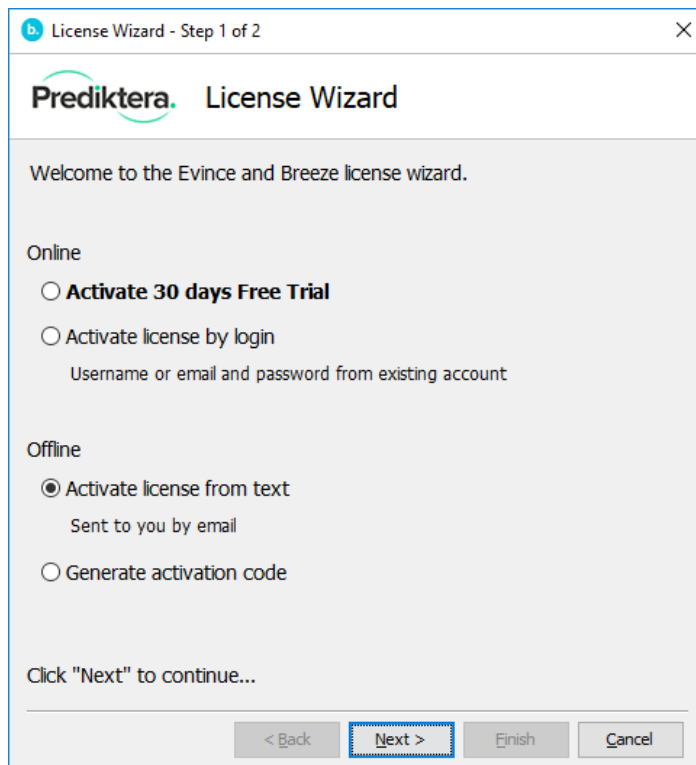

3. Paste the whole activation text in an email and send to license@prediktera.com.
4. After you receive an email from Prediktera with the license, follow the instructions below "Activate license from text"

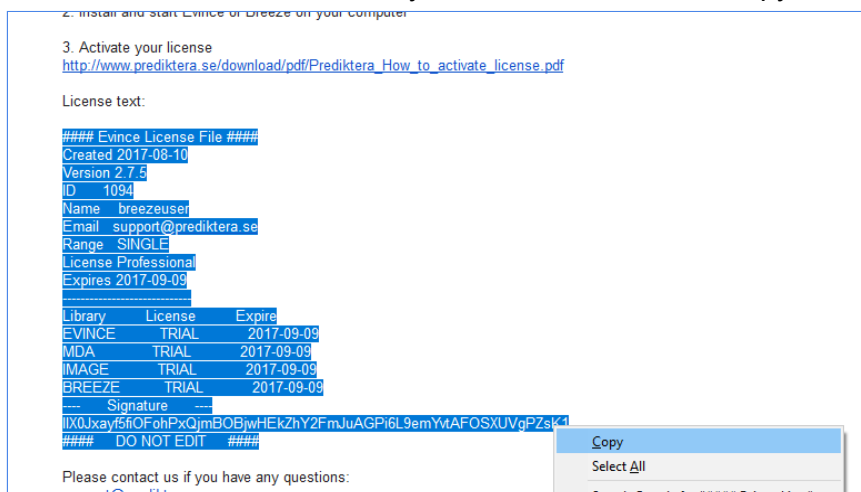

Activate license from text
